Indicate whether the entity named above is a: **P** ☐ **Partnership** **O** ☐ **Limited Liability Partnership** **L** ☐ **Limited Liability Company**

Attach a copy of the federal Form 1065 without K-1s, except for nonresident partners/members whose Utah reportable income is over \$1,000.

1. Number of partners/members who are not Utah residents _____ (If all partners/members are Utah residents, complete lines 2, 3, 4 and 5 only)	• 1	
2. Date partnership/limited liability partnership/limited liability company registered in Utah (MM/DD/YY) _____	• 2	/ /
3. If partnership/limited liability partnership/limited liability company is dissolved, date of dissolution (MM/DD/YY) _____	• 3	/ /
4. Did the partnership/limited liability partnership/limited liability company have income derived from Utah sources, or maintain a bona fide office, store, factory, or place of business in Utah? _____	• 4	Yes <input type="checkbox"/> No <input type="checkbox"/>
5. Amount of Utah income (Attach Schedules A and B, if applicable.) _____	• 5	<div></div> 00
6. Percentage of Utah income attributable to nonresidents _____	• 6	<div></div> %
7. Is this a composite return on behalf of nonresident partners/members? _____ If you answered yes to line 7, you must complete lines 8 through 12	• 7	Yes <input type="checkbox"/> No <input type="checkbox"/>
8. Utah income attributable to nonresident partners/members included in composite filing _____ (Attach form TC-65N, Schedule N)	• 8	<div></div> 00
9. Deduction amount (multiply line 8 by .15) _____	• 9	<div></div> 00
10. Utah taxable income attributable to nonresident partners/members included in composite filing (line 8 minus line 9) _____	• 10	<div></div> 00
11. Tax rate _____	• 11	.07
12. Tax due (line 10 multiplied by line 11) _____	• 12	<div></div> 00

Under penalties of perjury, I declare that to the best of my knowledge, this return and accompanying schedules are true, correct, and complete.

Nonresident Tax Remittance Information

Instructions: Partnerships/limited liability partnerships/limited liability companies that are making income tax payments on behalf of nonresident partners/members should complete this form. These are partnerships/limited liability partnerships/limited liability companies that file a composite return.

Composite partnership/limited liability partnership/limited liability company filers should list below all nonresident partners/members for whom Utah individual income tax is being paid. The social security number (SSN) or employer identification number (EIN), the percentage of partnership/limited liability partnership/limited liability company income, and the Utah income attributable to each nonresident partner/member must be indicated.

Nonresident Partner/Member Name	SSN or EIN	Percent Of Income	Attributable Utah Income

6. Total of lines 2a, 3a, and 5a			6	00
7. Calculate the Apportionment Fraction to six decimals: (divide line 6 by line 3 or the number of factors present - enter on Schedule A, line 19)			7	00

TC-65 Instructions

1. Returns by Partnership/Limited Liability Partnership (LLP)/Limited Liability Company (LLC).

Every partnership/LLP/LLC having a resident partner/member, or having any income derived from sources in Utah, must file a return on form TC-65 for the taxable year, and must attach to the return a copy of its federal partnership return, form 1065, for the same year (without Schedules K-1) and a schedule of modifications, if any, as required by instruction 13. In addition, a complete federal Schedule K-1 must be attached for each nonresident partner/member whose Utah reportable income is over \$1,000. **Do not send Schedules K-1 for Utah resident partners/ members.**

2. When and where the return must be filed.

A return must be filed with the Utah State Tax Commission, 210 N 1950 W, SLC, UT 84134-0270 on or before the 15th day of the fourth month following the close of the fiscal year or by April 15th for a calendar year business. If the due date falls on a Saturday, Sunday, or legal holiday, the return will be due the following business day.

3. Extension of time for filing return.

Taxpayers are automatically allowed an extension of up to six months to file their returns. This is an extension of time for filing your return and not an extension of time to pay tax due. While the extension to file is automatic, if the statutorily prescribed prepayment is not received by the Tax Commission by the original due date of the return (generally April 15th), penalties will be assessed.

The prepayment must equal at least 90 percent of the tax due, or 100 percent of the amount of your previous year's Utah tax liability.

Underpayment of extension prepayment is subject to penalty (see below).

4. Schedules for partner/member information.

General partners'/members' information from Tax Commission records is printed on form TC-65 Schedule G and limited partners'/nonmanaging members' information on form TC-65 Schedule L. Please make any necessary corrections or additions to this information.

5. Penalties.

The penalty for failure to file a tax due return by the due date is the greater of \$20 or 10 percent of the unpaid tax. In addition, if a tax balance remains unpaid 90 days after the due date, a second penalty, the greater of \$20 or 10 percent of the tax balance, will be added for failure to pay timely.

The penalty for failure to pay tax due as reported on a timely filed return, or within 30 days of a notice of deficiency, is the greater of \$20 or 10 percent of the tax due.

The penalty for underpayment of an extension prepayment is 2 percent per month of the unpaid tax during the extension period.

The penalty for failure to file an information return or a complete supporting schedule is \$50 for each return or schedule to a maximum of \$1,000.

For a list of additional penalties that may be imposed, please refer to Utah Code Ann. Section 59-1-401.

6. Interest.

Interest will be assessed at the rate prescribed by law from the original due date until paid in full. For information, taxpayers may request form TC-15, Applicable Interest Rates, by calling or writing the Utah State Tax Commission, 210 N 1950 W, SLC, UT 84134, telephone number (801) 297-6700.

The interest rate for all taxes and fees administered by the Tax Commission for the 2000 calendar year is 7 percent.

7. Signature.

In the case of a partnership/LLP, the return must be signed by any one of the general partners. In the case of an LLC, the return must be signed by any one of the members or, if the LLC has vested management in a manager or managers, the return must be signed by one of these managers. If receivers, trustees in bankruptcy, or assignees are operating the property or business of the partnership/LLP/LLC, then the receiver, trustee, or assignee must sign the return.

8. Partnership/LLP/LLC not subject to tax.

A partnership/LLP/LLC is not subject to Utah income tax. People conducting business as partners/members are liable for Utah income tax in their separate or individual capacities. However, see Instruction 14.

9. Federal taxable income.

Utah law defines federal taxable income as "taxable income as currently defined in Section 63, Internal Revenue Code, 1986." Since the Utah state taxable income is based on the federal taxable income, a partner's ability to carryforward and carryback partnership losses is determined on a federal level. The loss taken by a partner in a given year must match the loss taken on the federal return. Losses cannot be independently carriedback and carriedforward in any given year on the partner's state return.

10. Character of partnership/LLP/LLC items.

(a) Each item of partnership/LLP/LLC income, gain, loss, or deduction has the same character for a partner/member as it has for federal income tax purposes. When an item is not characterized for federal income tax purposes, it has the same character for a partner/member as if realized directly from the source realized by the partnership/LLP/LLC, or incurred in the same manner as incurred by the partnership/LLP/LLC.

(b) Where a partner's/member's distributive share of an item of partnership/LLP/LLC income, gain, loss, or deduction is determined for federal income tax purposes by a special provision in the partnership/LLP/LLC agreement with respect to such item, and where the principal purpose of such provision is the avoidance or evasion of tax, the partner's/member's distributive share of such item and any modification with respect thereto shall be determined as if the partnership/LLP/LLC agreement made no special provision with respect to that item.

(c) In determining state taxable income of a resident partner/member, any modification (such as U.S. government bond interest) that relates to an item of the partnership/LLP/LLC income, gain, loss, or deduction shall be made in accordance with the partner's/member's distributive share, for federal income tax purposes, of the items to which the modification relates. Where a partner's/member's share of any such item is not required to be taken into account separately for federal income tax purposes, the partner's/member's distributive share of such item shall be determined in accordance with his distributive share, for federal income tax purposes, of partnership/LLP/LLC income or loss generally.

11. Nonresident or part-year resident share of partnership/LLP/LLC items.

(a) In determining the adjusted gross income of a nonresident partner/member of any partnership/LLP/LLC, there shall be included only that part derived from or connected with sources in this state of the partner's/member's distributive share of items of partnership/LLP/LLC income, gain, loss, or deduction entering into the partner's/member's federal adjusted gross income. (The Utah portion may be shown alongside the total for each item amount as an attachment to the return.)

(b) In determining the sources of a nonresident partner's/member's income, no consideration will be given to a provision in the partnership/LLP/LLC that:

(1) characterizes payments to the partner/member as being for services or for the use of capital, or allocates to the partner/member, as income or gain from sources outside this state, a greater portion of his distributive share of partnership/LLP/LLC income or gain than the ratio of partnership/LLP/LLC income or gain from sources outside this state to partnership/LLP/LLC income or gain from all sources, except as provided for in 11(d);

(2) allocates to the partner/member a greater portion of a partnership/LLP/LLC item, loss or deduction connected with sources in this state than his proportionate share, for federal income tax purposes, of partnership loss or deduction generally, except as provided in 11(d).

(c) Any modification (such as for U.S. government bond interest) that relates to an item of partnership/LLP/LLC income, gain, loss, or deduction, shall be made in accordance with the partner's/member's distributive share for federal income tax purposes of the item to which the modification related, but limited to the portion of such item derived from or connected with sources in this state.

(d) The Utah State Tax Commission may, on application, authorize the use of other methods of determining a nonresident partner's/member's portion of a partnership/LLP/LLC item derived from or connected with sources in this state, and the modification related thereto, as may be appropriate and equitable, on such terms and conditions as it may require.

(e) A nonresident partner's/member's distributive share of items of income, gain, loss or deduction shall be determined as provided in instruction 10(c) above. The character of partnership/LLP/LLC items for a nonresident partner/member shall also be determined as provided in instruction 10(a) above. The effect of a special provision in a partnership/LLP/LLC agreement, other than a provision referred to in 11(b) above, having as a principal purpose the avoidance or evasion of tax, shall be determined as provided in instruction 10(b) above.

12. Mineral producers or payers.

If the partnership/LLP/LLC is a producer or other person paying proceeds in connection with mineral properties located within Utah, the partnership/LLP/LLC must report to each partner/member the partner's/member's share of mineral production withholding tax withheld and remitted to the Utah State Tax Commission. Parts "B" and "C" of form TC-675R are to be furnished by the producer to the recipients, who will in turn attach copy "B" to the Utah individual income tax return, fiduciary tax return or corporation tax return, and the recipient will take credit against the tax for the amount withheld. Copy "C" will be retained by the recipient for his personal records, and for verification of the amounts of tax withheld by the producer.

If the partnership/LLP/LLC is the recipient of proceeds in connection with mineral properties located within Utah, the partnership/LLP/LLC should attach copy "B" of form TC-675R to the partnership/LLP/LLC return. The amounts withheld are allocated to each partner/member in proportion to each partner's/member's share of income and should be shown on the federal Schedule K-1, form 1065.

13. Nonresident Partner's Income.

Complete Schedule A to determine the Utah income amount for non-resident partners. If the partnership does business both within and outside of Utah, the portion of the non-resident partnership income attributable to Utah is determined by completing Schedule B and then Schedule A.

14. Modifications.

If modifications (described in instructions 10(c) and 11(c) above) are needed to determine the state taxable income of a partner/member.

15. Partnerships/LLPs/LLCs may file a composite income tax return (lines 7 through 12 of form TC-65) on behalf of individual nonresident partners/members that meet the following conditions:

(a) Only individual nonresident partners/members with no other income from Utah sources may be included on the return. Nonresident members listed on the return may not file a Utah individual income tax return. Resident partners/members may not be included on lines 7 through 12 of the return.

(b) Schedule N must be included with the return. The schedule shall list the information indicated for all individual nonresident partners/members included in the composite filing.

(c) If individual nonresident partners/members have other sources of Utah income or are entitled to credits, such as credits for mineral production taxes withheld, agricultural off-highway gas credits, or other Utah credits, those partners/members must file an individual TC-40. They cannot be included in the composite filing. Refunds will not be issued or allowed on composite returns filed.

16. The tax shall be computed using the maximum tax rate applied to Utah taxable income attributable to Utah sources after allowing the following:

(a) A deduction equal to 15 percent of the Utah taxable income attributable to nonresident partners/members included in the composite filing.

(b) No deductions shall be allowed for standard deductions or itemized deductions, personal exemptions, federal tax determined for the same period, or any other deductions except as specified in 15(a).

17. Additional Information.

Additional information concerning Utah income tax requirements as they affect partnerships/LLPs/LLCs and partnership/LLP/LLC returns are contained in the Utah Code and the rules of the Utah State Tax Commission.

18. Rounding Off To Whole Dollar Amounts.

All entries must be reported in whole dollar amounts.

If you need an accommodation under the Americans with Disabilities Act, contact the Tax Commission at (801)297-3811 or Telecommunication Device for the Deaf (TDD) (801) 297-3819. Please allow three working days for a response.

Instructions for TC-65 Schedule A

Lines 1-7 and 9 -14

Add income or deduct losses that are directly passed through to the partners as shown on federal Schedule K, lines 1-18b. Lines 1-7 and 9 -14 of this form reference the line from federal Schedule K where the pass-through income can be found.

Line 8 - Total Income from Federal Schedule K

Add lines 1 through 7. Enter the total on line 8.

Line 15 - Total Deductions from Federal Schedule K

Add lines 9 through 14. Enter the total on line 15.

Line 16 - Net Income from Federal Schedule K

Subtract line 15 from line 8. Enter the amount on line 16.

Line 17 - Interest from U.S. Government Obligations

See Utah 1999 Individual Income Tax Forms and Instructions, page 7, for information concerning qualified U.S. Government Obligations. Enter the amount on line 17.

Line 18 - Net Income Subject to Apportionment

Subtract line 17 from line 16. Enter the amount on line 18.

Line 19 - Apportionment Fraction

Either 100% or the percentage calculated on Schedule B, line 7. Enter the amount on line 19.

Line 20 - Amount of Utah Income

Multiply line 18 by line 19. Enter the total on line 20. Use this total as the amount to enter on line 5 of the partnership form, TC-65.

Instructions for TC-65 Schedule B

Determine apportionment fraction by completing this schedule. The factors express a percent for tangible property in Utah, for wages and salaries in Utah, and for sales in Utah. These factors are to be added together and divided by the number of factors present (typically 3) to arrive at the Utah apportionment fraction calculated to **six decimals**. This fraction is to be applied to the net income (or loss) to arrive at the amount of income (or loss) apportioned to Utah. In cases where one or more of the factors is omitted due to peculiar aspects of the business operations, the partnership should divide by the number of factors present.

Briefly describe the nature and location(s) of your Utah business activities in the space provided at the top of this schedule.

Lines 1(a)-(e) - Tangible Property

Show the average cost value during the taxable year of real and tangible personal property used in the business within the state (including leased property) in column A; and overall (including Utah) in column B.

Property owned by the partnership/LLP/LLC is valued at its original cost. Property rented by the partnership/LLP/LLC is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the partnership/LLP/LLC less the annual rental rate received by the partnership/LLP/LLC from subrentals.

The average value of property shall be determined by averaging the cost values at the beginning and ending of the tax period. However, monthly values may be used or required if monthly averaging more clearly reflects the average value of the partnership/LLP/LLC's property.

A supporting schedule should be attached whenever monthly averaging is used.

Line 2 - Total Tangible Property

Enter totals of lines 1(a)-(e) in the respective columns.

Line 2(a) - Property Fraction

Determine property fraction: column A, line 2 divided by column B, line 2.

Line 3 - Wages, Salaries, Commissions, and Other Includable Compensation

Wages, salaries, commissions, and other includable compensation paid to employees for personal services must be included in the Utah factor to the extent that the services, for which the compensation was paid, were rendered in Utah.

Compensation is paid in the state if (1) the individual's service is performed entirely within the state; (2) the individual's service is performed both within and outside the state, but the service performed outside the state is incidental to the individual's service within the state; or (3) some of the service is performed in the state and (a) the base of operations or, if there is no base of operation, the place from where the service is directed or controlled within the state, or (b) the base of operations or the place where the service is directed or controlled is not in any state where some part of the service is performed, but the individual's residence is in this state.

Amounts reportable for employment security purposes may ordinarily be used to determine the wage factor.

Line 3(a) - Wages Fraction

Column A, line 3 divided by column B, line 3. Overall wages, including Utah, are listed in column B.

Lines 4(a)-(e) - Gross Receipts from Business

The sales factor is the percentage the sales or charges for services within the state for the taxable year bear to the overall sales for the taxable year. Gross receipts from the performance of services are in this state to the extent the services are performed in this state.

Sales of tangible personal property are in this state if the property is delivered or shipped to a purchaser within this state regardless of the F.O.B. point or other conditions of the sale, or if the property is shipped from an office, store, warehouse, factory, or other place of storage in this state and: (1) the purchaser is the United States government, or (2) the partnership/LLP/LLC is not taxable in the state of the purchaser.

Nexus: The jurisdictional link that must be present before a state may tax a partnership upon its activities within a state's borders.

Line 5 - Total Sales and Service

Enter totals of lines 4(a)-(e) in their respective columns.

Line 5(a) - Sales Fraction

Determine sales fraction: column A, line 5 divided by column B, line 5. Overall sales, including Utah, are listed in column B.

Line 6 - Total Fraction

Enter total of lines 2(a), 3(a), and 5(a).

Line 7 - Apportionment Fraction

Calculate the apportionment fraction to six decimals: Line 6 divided by the number of factors used (typically 3 - property, wages, and sales). If one or more of the factors are not present (i.e., there is a zero represented on lines 2, 3, or 5 in column B), divide by the number of factors present. Enter apportionment fraction here and on Schedule A, line 19.

Note: Trucking companies, railroads, publishing companies, and telecommunication companies refer to Administrative Rules under R865-6F.
